UNIDENTIFIED MAN HAS HEAD SPLIT OPEN BY AN S. P. TRAIN

Weakened from years of consumptive coughing, penniless and supposedly despondent, an unknown man, 30 years old, neatly dressed and minus any marks of identification is thought to have leaped in front of a Southern Pacific train at the Barrett avenue crossing last night. A few minutes before a train crew brought his body to the local depot, the supposed suicide exchanged conversation with Policeman Charles Mahnke.

"I'd like to get to Kansas. I have relatives there and the climate would build me up fast. I just finished an eighteen months siege at a southern California sanitarium," he said. Finishing his conversation the man pulled two oranges from his pocket, one of which he offered the policeman.

"These are all I can eat," he remarked.

Then a fit of coughing seized him and he turned and walked away into the night.

A few minutes later a train slowed down and the body was given to officers Dan Cox and Mahnke. Although unconscious the man lived for nearly an hour. A postal card found on him was addressed to Mrs. J. Flynn, 1220 Willow street, Oakland. Dr. W. F. Lucas, who attended the man found his head split open from his forehead to the top of his spine.

This was protested by the property owners.

Brown owns one-tenth of the property on the proposed improved street.

WASAMATTER ART? PANCHO VILLA IS CAUSE OF WORRY

City Clerk A. C. Faris as manager of the Fourth of July celebration and parade is using some very choice epithets against Pancho Villa. It was because of Villa that Faris has been unable to secure a troop of cavalry, a squad of infantry or a battalion of marines to lead the Fourth parade. They're all on the border. Even the naval apprentices at Goat Island will be busy on that day at the Oakland celebration. As a last resort Faris is endeavoring to secure a handful of troops from Mare Island.

YOU CAN ALWAYS "DRESS FOR THE OCCASION"

—IF YOU BUY YOUR CLOTHES ON CREDIT

One costume at a time, no matter how pretty or becoming it may be, never entitles a woman to a reputation for good dressing. Perhaps it's a street suit at the time when she needs an afternoon dress—or maybe it's a fancy dress when she ought to wear a sport suit.

You see, it's necessary to have several stylish outfits in your wardrobe ALL the time. Does that seem difficult, or even impossible, to you? Then you don't know about CHERRY'S CREDIT SYSTEM!

It will cost you no more to buy a quantity of summer clothes THIS month than it would to get a suit now, a waist or skirt later on, and a sport suit about midsummer. And you'll enjoy wearing ALL of them the whole summer.

You'll enjoy selecting them, too, for CHERRY'S latest displays are exceptionally beautiful with immense varieties of everything that is fashionable and tasteful. A small payment down will buy anything. Easy weekly or monthly installments pay the rest of the price. Their exclusive shop for ladies' apparel is at 515 13th street, while just across at 528 13th, is where their men's store is located. These two are the Oakland stores. The San Francisco stores are located at 1009 Market street and 2400 Mission street. Other stores—Portland, Tacoma, Los Angeles and Sacramento.—Advt.

THE PROPER COURSE

Information of Priceless Value to Every Richmond Citizen.

How to act in an emergency is knowledge of inestimable worth, and this is particularly true of the diseases and ills of the human body. If you suffer with kidney backache, urinary disorders, or any form of kidney trouble, the advice contained in the following statement should add a valuable asset to your store of knowledge. What could be more convincing proof of the efficiency of Doan's Kidney Pills than the statement of a Richmond citizen who used them and who publicly tells of the benefit derived?

Miss A. M. Downar, 206 Castro St., Richmond, says: "I am certain that anyone having kidney trouble will find Doan's Kidney Pills of great benefit. In my own home, Doan's Kidney Pills have brought results that have made me certain of their merit. A long-standing and very painful case of kidney complaint was relieved by this remedy, after doctors and other medicines had been tried without success."

Price 50¢, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Miss Downar recommends. Foster-Milburn Co., Props., Buffalo, N. Y. —Advt.

BIG EATERS GET KIDNEY TROUBLE

Take a glass of Salts before breakfast if your Back hurts or Bladder bothers you.

The American men and women must guard constantly against Kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three time during the night; if you suffer with sick headache or dizzy spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablispoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.

AT RICHMOND THEATRE

The photoplay, "The Unfaithful Wife," starring Robert B. Mantell with Genevieve Hamper, is one of the strongest dramas that has ever come from the celebrated William Fox studios. It deals with a woman loved by two men, one of whom is already married to her. The play was written by Mary Murillo and produced under the direction of J. Gordon Edwards. Briefly, its story is as follows:

Count Fabio Romani (Mr. Mantell) lives happily in the love of his beautiful wife, Juliet (Miss Hamper), in whom he believes implicitly. Romani has a friend, Durazzi (Stuart Holmes), whom he has befriended on many occasions. Durazzi and Juliet secretly love each other, but Romani is blind to the bond of adoration which is developing day by day between his wife and the artist.

When cholera spreads over the little Italian village in which the trio lives, panic seizes the inhabitants. Romani himself develops symptoms of the dreaded scourge, but in reality his indisposition is nothing other than sunstroke. When he is taken home, unconscious, his wife and Durazzi conspire to have him buried alive as one who has succumbed to the plague.

"The Unfaithful Wife" will be shown at the Richmond theater this evening. On the same bill are the Pathe News pictures and the Paramount picturgraphs.

AT THE REGENT THEATRE

Emmy Wehlen, the charming and versatile actress who will be seen here at the Regent theater in the Rolfe-Metro five part production, "Tables Turned," has had an interesting career. Born in Vienna, she was taken to England when a child, where she first went on the stage, playing child roles. She remained on the legitimate stage for several years and then turned to musical comedy. Soon she became the talk of all London, where she was the leading woman at the Gaiety. She sung the leading roles in the original companies of "The Merry Widow," "The Dollar Princess," and other big musical productions in London and New York.

Helen Gibson in a railroad story "Tapped Wires" and a Pokes and Jabbs comedy, "Pluck and Luck" will also be shown. Tomorrow Alice Brady in "The Woman in 47" is the attraction.

The Fallacy of Paraffine Base

Eastern oil manufacturers have long extolled the superior virtues of paraffine-base motor oils. Of course! Paraffine-base crudes were nearest home and freight costs lower.

But Pacific Coast motorists have proved for themselves that Zerolene, an oil made from selected California crude—asphalt-base, gave best results.

Now their practical experience is supported by the testimony of international experts.

Lieut. Bryan, a U.S. government expert, stated before the American Society of Naval Engineers, at Washington, D. C.: **"Oils made from the asphalt-base crudes have shown themselves better adapted to motor cylinders, as far as their carbon forming proclivities are concerned than are paraffine-base Pennsylvania oils."**

Zerolene is the oil used by the majority of Pacific Coast motorists. Highest competitive awards, San Francisco and San Diego Expositions.

Next time you empty your crankcase refill with Zerolene.
